TERMS AND CONDITIONS

Notwithstanding anything to the contrary in this Schedule or the Agreement, (i) the initial term of this Schedule shall commence on the first day any Services are provided under this Schedule and shall remain in full force and effect until the date that is twenty-four months after the last day of the Fee Waiver Period (as defined below) (the "Initial Schedule Term"), unless earlier terminated by SP or SR in accordance with the terms of this Schedule and/or the Agreement and (ii) the base monthly per-subscription fee for the Services under this Schedule shall be waived only during the Fee Waiver Period and, if applicable, SP shall apply a credit to SR's invoice. For the avoidance of doubt, all other fees, terms and conditions contained in the Agreement and/or this Schedule shall remain unchanged during the Initial Schedule Term. If SR terminates the Services during the Fee Waiver Period by written notice to SP no less than two (2) business days prior to the end of the Fee Waiver Period, no termination charges shall apply. If SR terminates the Services during the Initial Schedule Term (but after the conclusion of the Fee Waiver Period), SR shall be responsible for the applicable charges under paragraph 3 of the Agreement (including the termination charge described therein) unless otherwise agreed to in writing by SP and SR. SP may terminate this Schedule immediately at any time during the Fee Waiver Period upon notice to SR. "Fee Waiver Period" as used herein shall mean the period commencing on the first day any Services are provided under this Schedule and ending three (3) months thereafter. "Business Day" shall mean each day that is not a Saturday, Sunday or a legal holiday in New York or London.

1. INSTALLATION OF SERVICE(S); OTHER EQUIPMENT

Pursuant to the Agreement, SR has requested SP to provide the Services at the stated equipment address (as noted above). SR agrees that the equipment address noted above shall be SR's primary location for using the Services.

2. TERMS & CHARGES

(a) The initial term of this Schedule is from the first day Services or additional Services are provided to the second anniversary of that date (the "Schedule Term"). This Schedule or any portion of the Services provided under this Schedule may be terminated early during the Schedule Term or any renewal thereof on the same terms and conditions for early termination as set forth in paragraph 2 of the Agreement, and shall automatically terminate upon termination of the Agreement. Upon termination of this Schedule or any portion of the Services provided under this Schedule, SR shall pay any applicable charges set forth in paragraph 3 of the Agreement with respect to such terminated Services, including a termination charge for such terminated Services based on the balance of the Schedule Term. Upon termination of this Schedule or any portion of the Services provided under this Schedule at any time for any reason, SR shall pay any waived installation fees, early termination charges and any other fees imposed on SP by the provider of any Network Access (as defined below). Circuit installation or upgrades do not affect the term of the Agreement. The fee commences the day of actual installation and shall be invoiced quarterly in advance. All amounts displayed on this Schedule are in U.S. dollars. To the extent permitted by law, SP may send and SR agrees to receive invoices via electronic mail. Any fee increase of which SR is notified in accordance with the

Agreement or this Schedule will take effect as specified notwithstanding the issuance of a Schedule setting forth the then-current fee.

- (b) The Schedule Term shall be automatically renewed for successive two-year periods unless SR or SP elects not to renew by giving not less than 60 days' prior written notice to the other. If this Schedule is so renewed for any additional period beyond the initial Schedule Term, the charges payable pursuant to paragraph 3(a) of the Agreement for such renewal period shall be calculated at the prevailing rates then offered by SP, and this Schedule shall be considered to be amended accordingly.
- (c) All installations, upgrades, removals, relocations, conversions, equipment modifications and other changes related to the Services will automatically be charged at SP's prevailing rates, and SR will be invoiced accordingly.
- (d) As part of the Services, SR may request the provision of (i) Network Access and/or (ii) routers. "Network Access" shall mean connectivity to the Bloomberg network, including without limitation communications circuits and facilities and any applicable installations or upgrades thereof. If Network Access and/or routers are provided to SR, the charges for such Network Access and/or routers are not guaranteed for the Schedule Term. Increases and/or discounts to such charges may be made on 90 days' advance written notice, and customer relocations may result in immediate price adjustments for such Network Access and/or routers. SR may terminate circuits or routers upon 90 days advance written notice, provided that, for circuits, SR has maintained the circuit for at least twelve (12) months after the installation of the circuit. SR may use Network Access and/or routers only in connection with use of the Services described in the Agreement or, at SP's sole discretion, in connection with any other services provided by SP or its affiliates to SR pursuant to any other agreement between SR and SP or its affiliates. Unauthorized use of, access to or resale of Network Access and/or routers is prohibited. SR shall, at SP's request, provide a list of all uses made of Network Access and/or routers. SR may relocate routers upon 90 days' advance written notice to SP to a location approved by SP in advance. SP or any person designated by SP has authorization to disconnect SR's old circuits and facilities. Any extraneous wiring charges are not covered by SP.
- (e) The charges payable hereunder do not include monthly fees for exchange and third-party information services or applicable taxes. All applicable taxes, including, without limitation, sales tax, VAT, GST and similar taxes, shall be in addition to the charges for the Services and shall be the responsibility of SR. If tax-exempt, a copy of the State/Foreign Tax Exempt Certificate must be submitted upon signing the Agreement.

Each Access Point of a particular Permitted User will be permitted to receive the same functionalities available to every other Access Point of such Permitted User, unless SP shall otherwise specify or determine from time to time.
